	(Midterm Examination)	(Midterm Examination)	17	October3,2026	October4,2026
				(Final Examination)	(Final Examination)

Note

*(2-2-5) This is a course that emphasizes theoretical along with practice via the Concepts of Work-Integrated learning, in which students must perform some of the work assigned in a regular classroom for 1 hour and practice additionally in a School [in a real work context] for another 1 hour, along with additional study for another 5 hours per week. The instructor may assign students to submit work in the Google Classroom or a regular classroom. Each student must collect important works in an E-Portfolio to support the assessment of PLOs.

Announced on May 5, 2026

ASSOC. PROF. DR. SUPHAK PIBOOL
Dean, Faculty of Education
